My Name is Joseph Kalid Moris, Born on the 26th Aug 1985 in Torit the capital of Eastern Equatoria State South Sudan. I have joined the family of the Holy Trinity Peace Village Kuron on the 5th –Oct–2012, to take up the position of **Accountant** at the Peace Village. I am very grateful to the entire community of the peace village and especially the management team of Holy Trinity Peace Village Kuron for their warmth welcome and orientation that enables me to easily join and adapt to the environment within shortest time and ease.

I have two years of experience in a busy accounting and administrative environment with vast activities in highly reputable organizations in the names of Finance South Sudan Ltd and British American Insurance Company (SS) Ltd, executing a number of accounting, financial and administrative issues. The high level of financial, accounting, administrative and procurement experience that I have received while in those organizations, I believe will be of great asset to Holy Trinity Peace Village Kuron.

I am a graduate from Gulu University (Uganda) with **Bachelor of Business Administration (Accounting)** and currently pursuing accounting professional course with **Association of Certified Chattered Accountants (ACCA)**.
