STORY II ACCADEMICS PERFORMANCE/ EXCELLENCE IN THE SCHOOL TERM I AND TERM II 2015.

Academics is the major element of the Education of a child. In ST. Thomas primary school the teaching and learning is going on very well and the children continue to perform very well up to date though boys tend to dominate girls. In the class performance due to the great number of the children. However the recent result has shown that two girls emerged among the school's best performers.
