Jesus Christ is Risen, Alleluia, Alleluia, Alleluia

HAPPY EASTER 2021

To our donors, partners, friends and all people of good will, God works in your life. It shows in your care, sweetness and in your giving spirit. You're a blessing to many whom you support. May you reap the benefits of your kindness.

Wishing you and all your family a very Happy Easter.

Thanks be to God and to all men and women of good will.

Easter is the fulfillment of the Devine Promise God has made to save us from our sins by bringing light, warmth and hope into our lives.

Jesus assured us through His resurrection that the path of peace, compassion, love and sacrifice will always lead us to God. Let's return the favor by sharing our blessings to others.
